

No-Cook Meals: Summer Salad

<http://butcherblockco.com/blog/no-cook-meals/>

Recipe courtesy of Chef J Whiting

Makes two large or four small portions.

- 4 big handfuls of salad greens
- 1 cup of cubed watermelon, save the juice
- ½ of a white nectarine, sliced
- ½ of an English cucumber, sliced
- ½ cup crumbled feta cheese
- 1 tsp finely chopped rosemary
- 2 TBS chopped parsley
- 2 TBS chopped basil

Vinaigrette:

- 2 oz. watermelon juice
- 2 TBS pink lemonade
- 2 TBS vegetable oil
- ½ tsp Dijon mustard
- ½ tsp ground ginger
- a pinch of salt & white pepper

Whisk all ingredients together until emulsified.

Season to taste.

Arrange everything so that it looks pretty or just toss it together. Serve it with plenty of air conditioning and maybe a light, citrusy summer ale.
